Dear Parents

In a recent article in the King's Lynn News, our pupils said that the recent improvements make Smithdon feel like a new school; it certainly is encouraging to hear the sense of pride our pupils have in their learning environment.

The relentless drive to make Smithdon the best possible school we can make it is why we have developed the range of clubs and activities including the new look 'Super Learning Days'. These days were launched last week and will happen once a term to promote our British Values and support pupils to become life-long learners.

You can keep up to date with what is happening at Smithdon by following the school's twitter feed.

I am keen to hear your views about the school and would welcome the opportunity to meet with parents and discuss these. If you would like to make an appointment to see me, please contact Lisa Taylor at the school who will arrange this for you.

Yours sincerely
