Dear Parent

You are invited to attend a useful and informative one hour 'Live-N-Learn seminar for parents on **Friday 5 April at 3.15pm** in the drama studio. The seminar is designed to support parents to work with their children in the final weeks leading up to their GCSE exams, a very crucial time in their school lives.

The last weeks of year 11 are very important for pupils and parents, but also demanding and at times stressful. We know that parents can have a big impact and so want to work together to make sure all pupils reach their potential. This one hour seminar will cover positive mind-sets, building confidence, time management and how you can support your child to take up all of the opportunities available to them. The year 11 pupils who are in school on Friday 5 April will also be attending a one hour Growth Mind-set workshop which will be complemented by this parents' session.

We trust you will see this as a great opportunity and look forward to seeing you there. If you have any questions please do not hesitate to contact me directly at the school.

Yours sincerely

A. Gibbins
