

SMITHDON HIGH SCHOOL SIMS LEARNING GATEWAY FOR PARENTS AND CARERS

All schools use a computer database for their student records. This information is accessed using software called a Management Information System (MIS). The SIMS Learning Gateway (SLG) parent site enables you to view the SIMS school database using the Internet.

You will be able to see the following information in relation to your child:

- Personal details such as contact details and addresses
- Attendance
- Achievements and awards
- Timetable
- Report and Assessment documents

An information pack will be available to parents who wish to use the SLG.

Please complete the following details:

I/we no longer require paper copies of Reports and Assessments	
I/we wish to continue to receive paper copies of Reports and Assessments	
I/we already use the SLG	
Student name(s)	
Name of Parent/Guardian	
email Address for Parent/Guardian	

Please return your completed form to Miss C Loose at Smithdon High School. If you have any queries, please contact cloose7tr9@nsix.org.uk for further information.
