

Cambridge Outreach Day

High-achieving Year 10 linguists from Smithdon were fortunate to be chosen to attend the University of Cambridge Languages Day at Magdalene College – one of the most prestigious colleges in the UK.

Students took part in a university lecture, had a tour around the university and attended tutorials in the language school, where they had the opportunity to experience classes in Russian, Hebrew and Chinese.

The day was inspirational in highlighting the importance of foreign languages in today's world.

Three of the group have since gone on to study languages at A Level.
