

**Family
and
friends**

**Hast du
Geschwister?**

What we learn:

We do a great deal of Speaking, encouraging our students to work with a partner. Beginning with short sentences, students learn to add in extra detail, to be able to describe their friends and families, not just their looks, but also their personalities. In KS4, we also talk about family issues using more complex verbs.

**As-tu des
frères ou
sœurs?**
