Re: SRo/LT

7 October 2020

Dear Parents

I am writing to inform you that our Year 7 settling-in parental meetings will be held online on Thursday 15 October and Thursday 22 October between 3.30pm and 5.30pm.

It has been a busy but enjoyable start to the school year and I have continued to be massively impressed by the attitude of our new Year 7 students. They have shown great maturity and resilience to be able to settle into secondary school life as smoothly as they have done given the restrictions on the transition process caused by Covid-19. It is because of this restricted start that we have decided to move the settling-in meetings forward, giving you an opportunity to meet and talk to your child's form tutor and get an overall picture of how your child is progressing in each subject area.

All the appointments will be booked and held online through our Parents' Evening System. Instructions for booking an appointment are attached to this letter. Appointments will be 10 minutes long and with your child's tutor. All tutors will have an overview of each subject to report to you and will also be able to discuss any worries or concerns you may have.

We are running the event over two evenings in order to give some flexibility to parents and to ensure that we can have appointments of a meaningful length. We cannot extend appointment times; however, if further discussion is needed, either your child's form tutor or Mrs Bowyer (Year 7 Pastoral Manager) will contact you following your appointment.

There will be a small number of students whose parents will have an appointment with Ms. Bazeley-Smith rather than with their child's tutor. This will be clear when you make your appointment.

If you are unable to use the online appointment facility and require a telephone call instead, please email [data@smithdonhigh.org.uk](mailto:data@smithdonhigh.org.uk).

We look forward to talking to you soon.

Yours sincerely

# Video Appointments: Parents - How to attend appointments over video call

This article tells you what to do when your school has informed you that your appointments with teachers will be held via video call.

## In order to make video calls you need to have as a minimum:

- a device with a microphone and speaker
- a compatible web browser:
  - iPhone/iPad:** Safari
  - Android:** Chrome or Firefox
  - Windows:** Chrome, Firefox or Microsoft Edge (Chromium - download here (<https://www.microsoft.com/en-us/edge>))
  - Mac:** Safari, Chrome or Firefox
  - Linux:** Chrome or Firefox

## We also recommend:

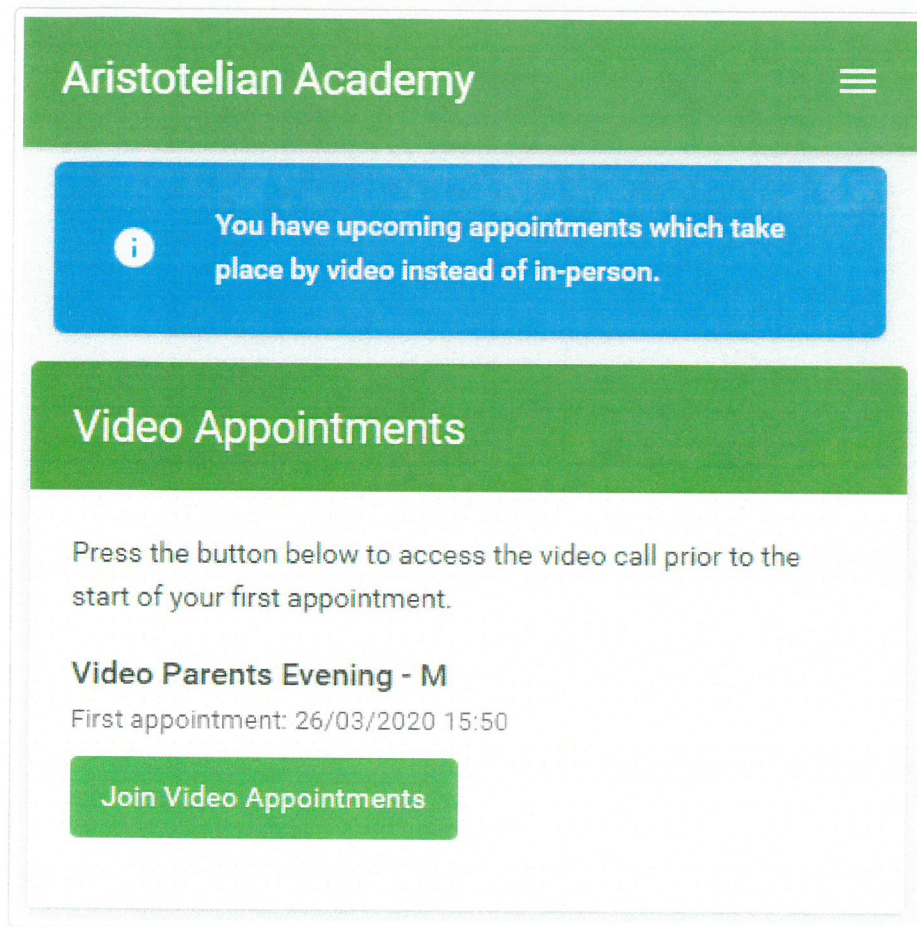

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.

## How to attend your appointments via video call

### 1. Log in and go to the Evening

On the day of the video appointments, login to Parents Evening at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button. This will become available 60 minutes before your first appointment.

## 2. The Video Call screen

When you click *Join Video Appointments* the video call screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

On this screen you can see the following:

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera (once a teacher is available or you are in a call these also show a pick up and hang up button).
- In the middle, when your appointment is due to start, the *Start Appointment* button.

### 3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in the blue bar at the top of the screen.

If you lose access to the system for some reason during the call, log in again and click *Start Appointment* on the video call screen. As long as the teacher is still in the call this will let you continue with the appointment (this is the same for the teacher if they lose their access).

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

**Note** that if you or the teacher are late, or leave and rejoin the call, it does **not** reset the timer. The appointment will always end at the scheduled time.

#### 4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

**Note** that if you delay starting a call it does **not** extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.

Did this answer your question? 😊 ☹️
